

Action Plan

This Action Plan must be completed electronically and submitted in Microsoft Word format to regulation@sqa.org.uk by 20 June 2024.

Issue number	Detail of Issue recorded	Risk rating	Proposed action and evidence to be provided (Failure to include a description of your intended methodology AND details of the evidence that you will provide could result in your Action Plan not being approved by ACG.)	Target date for completion by awarding body ¹	Date Issue closed out by SQA Accreditation ²
1. Principles 10, 11, 12	The awarding body must ensure that it has robust systems and processes in place for the identification, design, development, implementation and review of qualifications, which meet the needs of users.	Medium	Action: We will finalise the redevelopment of our processes for the identification, design, development, implementation and review of qualifications, this includes finalising: <ul style="list-style-type: none"> • the qualification development handbook • a process map for qualification development • the qualification review handbook • a process map for qualification review • forms to support the qualification development and review processes 	20.12.24	

¹ If the awarding body believes it has completed the action prior to approval of the Action Plan by ACG, insert the considered date of completion. The date will be subject to review depending on the quality of the evidence supplied.

² Issues can only be closed once the evidence to complete the action has been quality reviewed and the Action Plan has been approved by ACG. The period of time between ACG approval and the date the Issue is closed out is not necessarily reflective of any quality issues.

Issue number	Detail of Issue recorded	Risk rating	Proposed action and evidence to be provided (Failure to include a description of your intended methodology AND details of the evidence that you will provide could result in your Action Plan not being approved by ACG.)
