Issue number	Detail of Issue recorded	Risk rating	Proposed action and evidence to be provided (Failure to include a description of your intended methodology AND details of the evidence that you will provide could result in your Action Plan not being approved by ACG.)	Target date for completion by awarding body ¹	Date Issue closed out by SQA Accreditation ²
1. Principle 9	The Data Protection documentation at provider 1 was concerned mainly with learner information relevant to another awarding body.	Low	<p>Action: A Service Bulletin will be sent to all approved centres reminding them of the importance of their Data Protection policy being clear in terms of what data they hold for ECITB learners and how it is handled.</p> <p>EQAs to review all approved centres data protection policies during centre monitoring activities over the next 12 months to ensure they are clear in terms of what data the centre holds for ECITB learners and how it is</p>	01.06.2025	

¹ If the awarding body believes it has completed the action prior to approval of the Action Plan by ACG, insert the considered date of completion. The date will be subject to review depending on the quality of the evidence supplied.

² Issues can only be closed out once the evidence to complete the action has been quality reviewed and the Action Plan has been approved by ACG. The period of time between ACG approval and the date the Issue is closed out is not necessarily reflective of any quality issues.

4. Principle 18 and 13	The malpractice policy at provider 1 had incorrect definitions of maladministration and did not make it clear that all suspected and actual cases of malpractice and maladministration would be referred immediately to the awarding body. A recent ECITB external quality assurance activity at the provider referenced that the policy had been checked during approval with no action required.	Low	<p>Action: A Service Bulletin will be sent to all approved centres providing definitions of maladministration and malpractice and reminding centres that they are required to refer all suspected and actual malpractice and maladministration cases to ECITB immediately. We will also advise centres that their malpractice and maladministration policy must reflect this requirement.</p> <p>EQAs to review all approved centres Malpractice and Maladministration policies during centre monitoring activities over the next 12 months to ensure they are clear and compliant.
